Safety Measures

Screening Protocols:

The program COVID Safety Officer will oversee all team personnel in completing the Daily Attestation through OBA's Smartsheet platform at the first team activity of each day. Coaches will submit the Proof of Vaccination Attestation to Ontario Basketball. The COVID Safety Officer for the host program during competition will check Proof of Vaccination and complete Daily Attestations for all visiting team members, minor officials, game officials and anyone entering the facility during competition. Team personnel will be Rapid Antigen Tested once a week which will be administered and recorded by the COVID Safety Officer. The COVID Safety Officer will ensure all updated measures are posted on the Niagara Prep website for easy access.

Physical Distancing Measures:

NO SPECTATORS AT COMPETITION- this includes media. Only those listed in the Framework will be allowed to enter the facility.

NO SHAKING OF HANDS at the completion of competition.

COVID Safety Officer to ensure physical distancing during team activities where applicable, keeping spacing in changerooms, during film sessions, and when participating in training/ weightlifting sessions.

Benches to be physically distanced from each other and from minor officials table. Players will have designated areas in the changeroom 6ft from one another. Changerooms will be for immediate team personnel. Home & Away teams in separate locations.

Cleaning Protocols:

COVID Safety Officer will wipe down all equipment with disinfecting wipes before and after use.

COVID Safety Officer will wipe down benches and locker rooms before and after use.

In addition to benches before and after games they will wipe down basketballs before and after practice, changeroom benches and high touch surfaces within the space, all training equipment (weights, skipping ropes, ladders, etc.)

Sanitizer will be made available within the facility at all team events. Recommended players use before entering and exiting the facility.

Risk Management Guidelines:

MASKS MUST BE WORN AT ALL TIMES. Exemption applies to those who are actively participating in competition (Referees & 10 players on the floor)

Masking will be enforced by the COVID Safety Officer on site.

Should symptoms become present in a participant or visitor those individuals will be isolated in a separate room designated for isolation until they can leave safely from the premise.

Additional Notes:

The Ontario Basketball OSBA Return to Play plan will be referenced for all other elements including cohorts, travel plans, scheduling, media, accommodations, and case protocols.
